Good afternoon,

We appreciate your continued commitment towards preventing violence against women in Texas. We invite you to be a part of our STOP (VAWA) Implementation Planning Committee to help us establish our priorities for the next four years.

This will entail a hybrid in-person/virtual meeting anticipated for early spring at 400 W. 15th St., Austin, TX 78701.

If you are unable to make it to Austin, we can accommodate through video conferencing or conference call for this meeting as well.

Please let me know if you would be willing to take part in this committee.

Thank you,

Brandi
